

Creo Textured Acoustic Panels

Creo - to create or establish

The most valuable work your employees do is when they create solutions, concepts or new ideas. Creo Textured Acoustic Panels add depth and bold color to your workspace, encouraging your employees to be creative and productive.

EcoPrivacy Acoustic™ Creo Textured Panels Provide:

- Sound absorption and blocking
- Ambient noise reduction within the room
- Reduced reverberation and echo
- Minimized sound transmission outside the room
- Customized design: shapes, logos, and textured cutouts

EcoPrivacy Acoustic™ Creo Series Highlights:

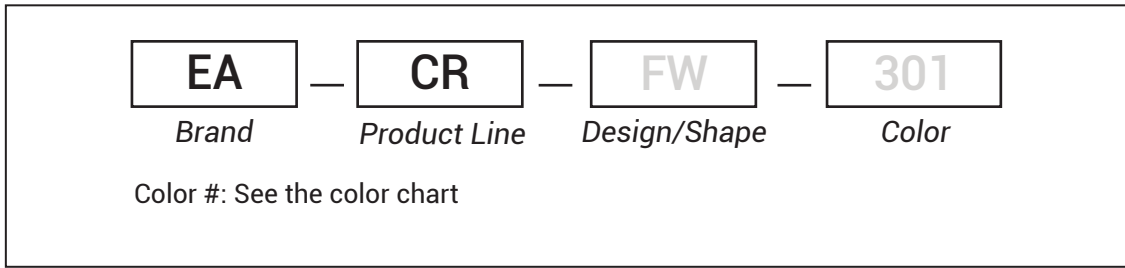

- Textured Polyester Fiber Acoustic Felt
- Choose from 20 available colors
- Dynamic textured designs to add dimension to your workspace
- Flexible privacy between individuals and teams
- Make your open office look good and improve the acoustic environment
- Easy to install
